

MU GRAD Grammar - เฉลยย่อสำหรับท่องจำ

Q1: Most vitamin supplements in the market are inadequate tested and they can increase risk of cancer and heart disease.

Answer: (B) inadequate

คำอธิบาย: The word 'inadequate' (adjective) is modifying the verb 'tested'. It should be changed to the adverb 'inadequately'.

Q2: The CEO has established clearly objectives of his company before developing new products.

Answer: (B) clearly

คำอธิบาย: The adverb 'clearly' is placed before the noun 'objectives'. It should be the adjective 'clear' to modify the noun 'objectives'.

Q3: Some universities are helping student workers which campus jobs are interrupted by winter storm and trying to compensate them during the campus closure.

Answer: (B) which

คำอธิบาย: The relative pronoun 'which' shows possession of 'campus jobs' by 'student workers'. It should be changed to the possessive relative pronoun 'whose'.

Q4: Britney whom has been suffering painful sores all over her body and every doctor she went to said that she was completely normal.

Answer: (A) whom

คำอธิบาย: The relative pronoun 'whom' functions as the subject of the verb phrase 'has been suffering'. It should be changed to the subject pronoun 'who'.

Q5: Porsild, a Danish-Thai model who grew up in several countries, were crowned Miss Universe Thailand 2023 on Sunday.

Answer: (C) were crowned

คำอธิบาย: The subject is 'Porsild' (singular model). The verb 'were' is plural and should be changed to the singular 'was'.

Q6: There was much more criticize from the media when Harry and Meghan made a Netflix documentary about themselves and the British royal family.

Answer: (B) criticize

คำอธิบาย: The word 'criticize' is a verb. After 'much more', we need a noun, so it should be changed to the noun 'criticism'.

Q7: Complained about being overworked and underpaid, the Chinese restaurant workers in Greater Toronto Area wanted a pay rise.

Answer: (A) Complained

คำอธิบาย: The workers performed the action of complaining. It should be an active participle clause: 'Complaining about...' or 'Having complained about...', not passive 'Complained'.

Q8: Apple attracts a large number of applications from high caliber candidates, but unfortunately the company will not be able to inviting everyone to the next stage of the hiring process.

Answer: (C) to inviting

คำอธิบาย: The infinitive marker 'to' should be followed by the base form of the verb 'invite', not the gerund 'inviting'.

Q9: Officials found the body of a missing student alongside the corpse of a brown bear that likely kills him in Russia.

Answer: (D) kills him

คำอธิบาย: The sentence is in the past tense ('found'). The verb 'kills' should be changed to the past tense 'killed' to match the narrative timeframe.

Q10: Despite the fact that the sun been shining all day, the snow has not yet melted.

Answer: (B) been shining

คำอธิบาย: The verb phrase 'been shining' is missing the auxiliary verb 'has' or 'had'. It should be 'has been shining'.

Q11: Convection in air happens _____ and the cold air from surrounding areas rushes to fill in its place.

Answer: (B) when hot air rises up

คำอธิบาย: This is an adverbial clause of time. The correct structure is 'when' + subject ('hot air') + verb ('rises up').

Q12: To properly rehydrate after diarrhea, you can either make a homemade electrolyte drink with coconut water and salt, _____ purchase an electrolyte beverage from your local grocery store.

Answer: (B) or

คำอธิบาย: The correlative conjunction 'either' always pairs with 'or' (either... or...).

Q13: If I were you, I _____ for the job again

Answer: (A) would apply

คำอธิบาย: This is a Second Conditional sentence (unreal present/future). Structure: If + subject + V2 (were), subject + would + V.infinitive ('would apply').

Q14: _____ blankly at her English test, Lisa knew she was going to fail.

Answer: (A) Staring

คำอธิบาย: This is a participle clause expressing simultaneous action. The subject 'Lisa' performed the active action of staring, so we use the present participle V-ing ('Staring').

Q15: Many people believe that agoraphobia is the fear of _____ one's home.

Answer: (C) leaving

คำอธิบาย: The preposition 'of' must be followed by a gerund (V-ing), which is 'leaving'.

Q16: Large organizations usually have a hierarchical structure with a _____ chain of command.

Answer: (A) clear

คำอธิบาย: We need a simple adjective to modify the noun phrase 'chain of command'. The adjective is 'clear'.

Q17: A girl _____ about a week ago passed away in a village on Monday.

Answer: (C) bitten by a dog

คำอธิบาย: This is a reduced relative clause with a passive meaning (the girl was bitten by a dog). It reduces from 'who was bitten by a dog' to 'bitten by a dog'.

Q18: Single women may be able to devote more time to their careers, but some _____ women take on more work in the office.

Answer: (D) married

คำอธิบาย: We need a participial adjective to modify the noun 'women'. The correct form is 'married' (having a husband/wife).

Q19: _____ the way, it took me 3 hours to get to the Pusan Airport.

Answer: (A) Not knowing

คำอธิบาย: This is a negative participle clause. The active subject 'I' did not know the way, so we use 'Not knowing the way'.

Q20: Some may have a dry cough after COVID-19 _____ their lungs have been irritated.

Answer: (B) because

คำอธิบาย: We need a subordinating conjunction to show cause/reason. 'because' is the correct conjunction linking the dry cough to the lung irritation.
